CALL FOR PAPERS

The 13th International Conference on Communications, Circuits and Systems

Important Dates

Submission Deadline	February 5, 2024
Notification Deadline	March 1, 2024
Registration Deadline	March 15, 2024

Special Session 8: Underwater Acoustic Communications and Signal Processing

Introduction: Aiming at the demand of the ocean big data networking and reliable interconnection of underwater nodes, the high speed and reliability optimization of underwater acoustic communication system, underwater acoustic environment modeling and optimization, and underwater acoustic signal processing technology should be studied. The theoretical system of underwater acoustic communication and signal processing is expanded and deepened.

Chair: Lu Ma, Harbin Engineering University, China

Publication

The accepted and presented papers will be published in the **ICCCAS Conference Proceedings**.

SCI/Scopus Journal Publication
Selected registered papers with proper extension will be recommended to below journals for potential publication
